Dr. William Reardon  
Our Lady's Hospital for Sick Children  
Crumlin  
Dublin 12  
Ireland

Dear Dr. Reardon

We would like to formally extend our appreciation and thanks to you for your lectures to the Genetics trainees on "**Old Memories & New Diagnoses**" and "**Lessons from St. Elsewhere's**" as part of the Current Topics in Medical Genetics course.

The information you provided will be of great benefit to the trainees during their training and in the future. The trainee feedback is included for your review (the ratings below are presented as an average).

**Number of evaluation received: 4**

<b>Please rate scale from 1 to 5 (1=Poor; 2=Fair; 3=Average; 4=Good; 5=Excellent)</b>	
Material was relevant	<b>5.00</b>
Material increased knowledge/awareness	<b>5.00</b>
Presenter showed enthusiasm for the subject	<b>5.00</b>
Presenter was well organized	<b>5.00</b>
Presenter encouraged interest, thinking, discussion and questions	<b>4.67</b>

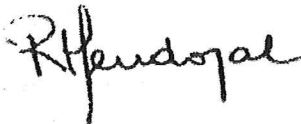

Comments:

"The cases and his approach were helpful. Very enthusiastic speaker. One of the best educators we have encountered so far."

"Interactive, educational lecture with excellent pearls on dysmorphism!"

Your expertise has enhanced this course tremendously and your contribution is truly appreciated.

With Thanks,

Roberto Mendoza, MD, MS, FACMG, FCCMG  
Clinical Geneticist  
Program Director, Postgraduate Medical Education  
Division of Clinical and Metabolic Genetics  
Associate Professor, Paediatrics
